Guest Speaker Jane Enright from Compas Consulting
on behalf of the Government of Canada

The session will answer a number of questions:

What is the Disability Tax Credit (DTC) and how do you get it?

Why do you need a DTC for a Registered Disability Savings Plan?

**What exactly is a Registered Disability Savings Plan
and do you (or does your family member) qualify?**

**Can a person with disabilities really get “free” money from the government for
retirement? (Yes! possibly ... come see if you/your family member might qualify)**

**Come and find out how you can benefit
from these government programs**

Please register: 613-737-7791 or kmcmullin@cmhaottawa.ca
