## *ReFresh ReStart with QuickStart*

Are you a parent of a child with Autism? Could you use a weekend break?

QuickStart is pleased to once again offer parents who have a child diagnosed with autism, a one or two night stay in a local area hotel for 2012.

Please note: ***This year our program will operate on a lottery basis.***

Selected parents may choose a one or two night stay, based on hotel availability.

The hotel rooms are offered at no cost thanks to the generosity of local hotels. QuickStart will help with childcare expenses while the parent(s) are away, up to \$150 per night.

ReFresh ReStart is open to parents who live in the National Capital Region and who have a child (up to 18 years of age) with an ASD diagnosis, including Asperger's and PDD-NOS.
