

H'ART OF OTTAWA FALL 2011 FIFTH ANNUAL DONOR CAMPAIGN

THE H'ART PROGRAM

H'Art of Ottawa is a unique and innovative art and literacy program for people with developmental disabilities. The Studio's supportive team creates a nurturing

environment where the artists develop their art as well as career and life skills through the creation, production, marketing and sale of their paintings.

FUNDING MODEL

H'Art is funded through fees paid by the artists and their families and various fundraising activities including the sale of cards and paintings and generous donations.

THANK YOU FOR YOUR SUPPORT

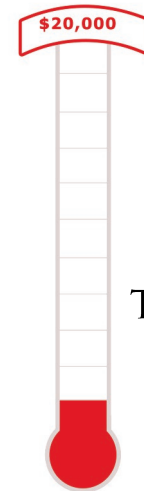

On behalf of the artists, we encourage you to support H'Art Studio generously.

Your donation will help purchase paints, canvases, and other literacy and art supplies.

It will also enable us to organize new exhibits, support more artists, and further develop and enrich the program.

Also, as United Way funding criteria has changed to a more job generation focus, we did not qualify for continued funding. So we need your help more than ever!

Please feel free to pass this newsletter on to friends, family, colleagues and organizations.

**GOAL:
\$20,000**

THANK YOU!
